To Their Excellencies,

The Ambassador of Finland Mrs Paivi Peltokoski
(δωρεά βιβλίων Moomins)

And the Ambassador of Sweden Mr Martin Hagstrom (δωρεά βιβλίων Pippi Longstocking)

I would like to express my sincere gratitude for your generous donation of books to our municipal library.

This year marks the 80th anniversary of the Moomins and Pippi Longstocking, beloved characters that have captivated readers for generations.

This thoughtful gesture is a valuable cultural contribution for us and a wonderful way to inspire our young readers to discover the joy of reading and the imagination and universal values represented by these timeless characters.

Last Saturday morning, to mark this special anniversary, our Municipal Library hosted a delightful event for children in collaboration with 'Mikros Odysseas'.

The children had the opportunity to meet the Moomins and explore their magical world through play and creativity. The event was met with great enthusiasm and success.

Today, we are pleased to present you with paintings created by the children of the Special Education Unit of Lanitio School, inspired by the stories you have kindly donated to our library.

We sincerely thank you for your generosity and for strengthening the bonds of friendship and cultural exchange between our peoples.
